

Chronic Fatigue Syndrome Test Template

Section 1: Understanding Your Fatigue

Exercise 1: Identifying Triggers

List specific situations or events that may trigger your fatigue. Rate the intensity of triggers on a scale of 1-10.

Exercise 2: Fatigue Journal

Maintain a daily fatigue journal recording highs and lows. Describe associated emotions, activities, and stressors.

Exercise 3: Symptom Inventory

Create a checklist of common ME/CFS symptoms. Regularly assess and note the presence and severity of each.

Section 2: Managing Fatigue Episodes

Exercise 4: Early Warning Signs

Identify subtle signs indicating an approaching fatigue episode. Develop strategies for early intervention.

Exercise 5: Coping Strategies

Compile a list of effective coping mechanisms. Include activities, relaxation techniques, and support systems.

Exercise 6: Medication Tracker

Create a medication schedule and tracking system. Record dosage, effects, and any side effects.

Section 3: Lifestyle and Self-Care

Exercise 7: Sleep Hygiene

Develop a healthy sleep routine. Track sleep patterns and their impact on fatigue.

Exercise 8: Daily Routine

Structure a daily routine to promote stability. Incorporate self-care activities and consistent meal times.

Exercise 9: Stress Management

Identify sources of stress and develop coping strategies. Regularly assess stress levels and adjust as needed.

Section 4: Building a Support System

Exercise 10: Support Network

List individuals who provide emotional support. Establish communication strategies with each.

Exercise 11: Communication Plan

Develop a plan for communicating with loved ones during fatigue episodes. Include specific preferences and triggers.

Exercise 12: Crisis Plan

Create a crisis intervention plan. Specify emergency contacts, coping strategies, and professional resources.

Section 5: Reflecting and Goal Setting

Exercise 13: Weekly Reflection

Reflect on the week, noting challenges and successes. Set small, achievable goals for the upcoming week.

Exercise 14: Future Goals

Outline long-term goals related to managing fatigue. Break them down into manageable steps.
