Scoring	

Seven categories are measured on the Learned Optimism Test and one overall combined score reflects your level of optimism. Score each category separately first and then determine the final composite score.

Permanent Bad (PmB):

Believing the causes of bad events are permanent. Total the numbers in the right-hand margin from items 5, 13, 20, 21, 29, 22, 33, 42, and 46. Record this total in the PmB line on the scoring key. If you totaled 0 or 1, you are very optimistic on this dimension. 2 or 3 is a moderately optimistic score; 4 is average; 5 or 6 is quite pessimistic; and 7 or 8 is very pessimistic.

Permanent Good (PmG):

Believing the causes of good events are permanent. Total the numbers in the right-hand margin from items 2, 10, 14, 15, 24, 26, 38, and 40. Record this total in the PmG line on the scoring key. If you totaled 7 or 8, you are very optimistic. 6 is a moderately optimistic score; 4 or 5 is average; 3 is a moderately pessimistic score; and 0, 1, or 2 is very pessimistic.

Pervasiveness Bad (PvB):

Believing failures are universal and extend beyond the situation. Total the numbers in the right-hand margin from items 8, 16, 17, 18, 22, 32, 44, and 48. Record this total in the PvB line on the scoring key. If you totaled 0 or 1, you are very optimistic on this dimension. 2 or 3 is a moderately optimistic score; 4 is average; 5 or 6 is quite pessimistic; and 7 or 8 is very pessimistic.

Pervasiveness Good (PvG):

Believing good events are universal and extend beyond the situation. Total the numbers in the right-hand margin from items 6, 7, 28, 31, 34, 35, 37, and 43. Record this total in the PvG line on the scoring key. If you totaled 7 or 8, you are very optimistic. 6 is a moderately optimistic score; 4 or 5 is average; 3 is a moderately pessimistic score; and 0, 1, or 2 is very pessimistic.

Hope Score (HoB):

A combination of pervasive and permanent beliefs about bad events. Take your PvB total and add it to your PmB total. This will yield your hope score for bad events. If it is a 0, 1, or 2, you are extraordinarily hopeful. 3, 4, 5, or 6 is a moderately hopeful score; 7 or 8 is average; 9, 10, or 11 is moderately hopeless; and 12, 13, 14, 15, or 16 is severely hopeless.

Personalization Bad (PsB):

Believing faults are personal and internal and, therefore, difficult to change. Total the numbers in the right-hand margin from items 3, 9, 19, 25, 30, 39, 41, and 47. Record this total in the PsB line on the scoring key. If you totaled 0 or 1, you have very high self-esteem. 2 or 3 is a moderate self-esteem; 4 is average; 5 or 6 indicates low self-esteem; and 7 or 8 indicates very low self-esteem.

Personalization Good (PsG):

Believing faults are external and not personal Total the numbers in the right-hand margin from items 1, 4, 11, 12, 23, 27, 36, and 45. Record this total in the PsG line on the scoring key. If you totaled 7 or 8, you are very optimistic. 6 is a moderately optimistic score; 4 or 5 is average; 3 is a moderately pessimistic score; and 0, 1, or 2 is very pessimistic.

Computing the overall score

First, add the three B scores (PmB + PvB + PsB). This is your Total B (bad events) score. Next, add your three G scores (PmG + PvG + PsG). This is your Total G (good events) score. Subtract B from G. This is your overall score (G-B).

Interpreting the overall totals

If your B score is from 3 to 6, you are marvelously optimistic. If it is in the 6 to 9 range, you are moderately optimistic; 10 or 11 is about average; 12 to 14 is moderately pessimistic; and anything above 14 cries out for change. If your G score is 19 or above, you think about good events very optimistically. If it is from 17 to 19, your thinking is moderately optimistic; 14 to 16 is about average; 11 to 13 indicates that you think quite pessimistically; and a score of 10 or less indicates great pessimism. Finally, if your G-B score is above 8, you are very optimistic across the board. If it is from 6 to 8, you are moderately optimistic; 3 to 5 is average; 1 or 2 is a moderately pessimistic score; and 0 or below is very pessimistic.
